

CC2700 Electric Color Coil® Inserter

Create impressive presentations

The dual-action roller system gets spines through punched sheets with reliable ease, and three adjustable spine-size settings ensure instant accuracy. A built-in spine former shapes stacks for easier binding. Includes an easy-to-use crimper hand tool, which cuts and crimps the spine in place.

Features and benefits

- Electric binding for increased productivity
- Dual-action rollers for increased speed and accuracy
- Built-in storage for spine cutter/crimper hand tool
- Crimper hand tool included
- Additional crimper hand tools sold separately
- Binds documents up to 12"

CC2700 Electric Color Coil® Inserter
